

Bridging the gap between risk and reward

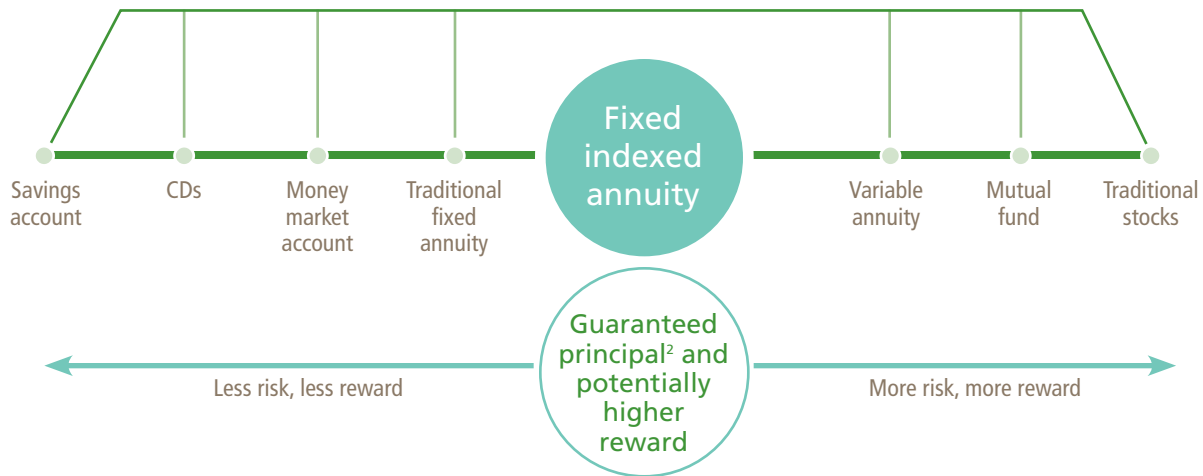

Are you looking for ways to help secure your retirement savings while also giving it the potential to grow? The Lincoln National Life Insurance Company would like to offer you a potential solution:

Lincoln fixed indexed annuities

- Credit interest based on the performance of the S&P 500® Index¹
- Provide protection from any losses in the S&P 500 Index
- Allow movement between multiple accounts without risking principal

A fixed indexed annuity is for retirement or other long-term financial needs. It is intended for a person who has sufficient cash or other liquid assets for living expenses and other unexpected emergencies, such as medical expenses.

Where does a fixed indexed annuity fit in on a risk/reward basis compared to financial products that you may already have?

A fixed indexed annuity could be just what you need to help bridge the gap between risk and reward.

Rewards you can appreciate. The protection you deserve.
